

Emergency FMLA & Emergency Paid Sick Leave Policy/Posting

Families First Coronavirus Response Act

April 1, 2020

McGill Restoration is prepared to comply fully with the Families First Coronavirus Response Act (FFCRA), signed into law on March 18, 2020 and going into effect on April 1, 2020.

FFCRA provides two benefits to employees in an effort to support families during this unprecedented time. One, Emergency FMLA (also called E-FMLA) and two, Paid Sick Leave. This policy will summarize both and help you understand what you need to do to apply for each benefit.

EMERGENCY FAMILY & MEDICAL LEAVE (E-FMLA)

Eligibility

If you have worked for McGill Restoration for at least 30 days prior to the need for leave, you may be eligible for paid E-FMLA protected leave. E-FMLA is different from traditional FMLA in three main ways: a) E-FMLA includes paid time, and b) eligibility is based only on working for McGill Restoration for at least 30 days before the need for leave and c) the qualifying reasons for this leave are specific to public health emergency.

Qualifying Reason for Leave & Length of Leave

E-FMLA is available for eligible employees who are unable to work remotely and need leave from work to care for the employee's child under the age of 18 years old due to the closing of the child's school or place of care (or unavailability of childcare provider) due to a public health emergency. E-FMLA provides up to 12 weeks of job-protected leave for eligible employees.

Paid Leave

For the first 10 days of E-FMLA, you may choose to take the leave as unpaid or used accrued paid time off (including vacation or sick leave). After 10 working days, McGill Restoration will pay employees on approved leave two-thirds of the employee's regular rate of pay for the number of hours the employee would have normally been scheduled – up to \$200 per day and up to \$10,000 total per employee.

Example: Mary is a full-time employee who is normally scheduled to work 40 hours per week and is paid \$12 per hour. She has been approved for E-FMLA because her 10-year old child's school is closed indefinitely. Mary may choose to take days 1 through 10 as unpaid or use her accrued paid time off. Starting on day 11, McGill Restoration will pay Mary \$320 per week: \$12 per hour x 40 hours/week = \$480/week. Two-thirds of \$480/week = \$320/week. Mary will receive \$320 per week for the length of her approved leave or up to 12 weeks.

Employee working part-time or irregular schedules will be paid based on the average number of hours the employee worked for the six months prior to taking E-FMLA. For employees who have worked for McGill Restoration less than six months, the number of average hours reasonably expected at hire will be used to calculate paid leave.
